Welcome to The Greenway Café @ Lough Lannagh Holiday Village

Relax, unwind, take a well earned rest & enjoy a bit of what we have on offer...

**OPEN THURSDAY, FRIDAY & SATURDAY 9AM TO 5PM**

... Our blackberry jam comes from the hedgerows of Lough Lannagh with crab apples from the lost walled garden of Lough Lannagh Lodge (formally Creagh Villa which was the childhood home of Muriel Gahan founder of the Irish Countrywomen's Association)

... Our scones are based on a recipe from way back, when electric cookers were first being introduced to the Irish household.

... All our beef and other meats are fully traceable and 100% Irish origin.

... We are extending our range of gluten free items. Certain items on the menu are made entirely with gluten free ingredients. We cannot however guarantee that the Kitchen & Café environment is completely gluten free. Our detailed **Food Allergen Menu Folder** is available to view at counter.

... We are fortunate to be located in an area of rich biodiversity & it is our aim to conserve & promote this. To that end we try to minimise waste, re-use, recycle & compost where possible. Our menu covers are from re-cycled promotion literature, our menu boards & signs are all crafted from reclaimed timber & tile

## Home Cooked, Home Baked, Served Simply, Sourced Locally ...
