

FOR IMMEDIATE RELEASE

Lough Lannagh Village Hosts Open Garden Afternoon to Support Daisy Lodge

Castlebar, Co. Mayo. F23 VW73

On Sunday 20th July 2025, from 1:00pm to 3:30pm, Lough Lannagh Village will open its grounds to the public for a self-guided tour through its peaceful, lakeside gardens and community polytunnel - all in support of Daisy Lodge Mayo, a respite centre for families affected by childhood cancer.

Visitors are invited to enjoy an afternoon stroll, visit the Community Polytunnel, and learn how the gardens have been developed with a strong commitment to sustainability — embracing reduce, reuse, recycle, and upcycle practices throughout.

Tea, coffee, and homemade scones will be served, and all donations on the day will go directly to Daisy Lodge Mayo.

“This garden has grown from our love of nature and community,” said Paul & Gerardine Lennon, Managers of Lough Lannagh Village. “We believe in creating beauty with purpose — and we’re proud to support Daisy Lodge, an organisation that brings comfort and care to families when they need it most.”

“Lough Lannagh Village has become a place of peace and belonging for many newcomers to Mayo,” added Helen O’Neill of South West Mayo Development Company. “This Open Garden event is not only a chance to experience nature, but also to connect and give back - values that reflect what this place stands for.”

The event is open to all, with no ticket required. Everyone is encouraged to come along, relax, and support a truly meaningful cause.
